## Weekly Newsletter

W/e 6<sup>th</sup> October 2017

### Rabbit Competition

Thank you to those of you who took part in the 'Guess how many rabbit treats are in the jar' competition. There were 614 treats in the jar and the winning guess was by Freddie G from Class 2 with 613! Freddie received his prize during assembly on Monday. Great guessing Freddie!

### Attendance

Each Monday we will display the previous week's attendance percentage from Classes 1 to 6, on the Attendance Board in the middle corridor. Every Monday this will be announced in assembly. Authorised absences such as medical appointments will not be counted as missing marks. Attendance is incredibly important in this school and we are constantly encouraging children and parents to support us in this. The class with the highest attendance each half term, will receive a treat.

Week ending 29<sup>th</sup> September:

Class 1	100%
Class 2	98.70%
Class 3	98.10%
Class 4	98.75%
Class 5	98.18%
Class 6	97.78%

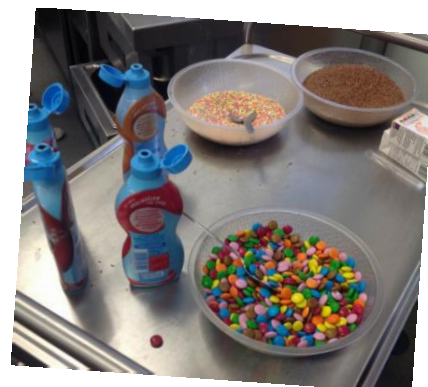

Well done Class 1!

Clarborough Primary School  
*Building success together!*

## Pick 'n' mix dinner

We would like to say a huge thank you to those of you who tried school dinners on Thursday, as part of school census day. The children tucked in to the ice-cream and toppings!

## Girls Football

On Tuesday 3<sup>rd</sup> October, Year 5 & 6 girl's football team played against Ordsall Primary School. We won 6-3 and the people who scored were: Connie-Mae L, Lottie M, Jessica O'R and Scarlett J. Overall the team played very well and the support was great. Well done to the girls for a great match.

**Report by Madeleine W and Jessica O'R, Class 6.**

## Boys Football

Clarborough boy's football team played against Ordsall Primary on Thursday 5<sup>th</sup> October. Clarborough started off strong but Ordsall got the better start making it 1-0 and soon after scored a free kick. Clarborough stayed strong and in the second half Isaac M set William P up and he made sure he scored, making it 2-1. Shortly after, Clarborough got a penalty which was deflected off the post by Isaac M. In the last few seconds Ordsall scored making the total score 3-1.

**Report by Isaac M, Class 6**

## Out of school achievements

If your child achieves success out of school in a sporting event or other activity and you wish to include it in a future newsletter then please let me know and I will be happy to include it. Either pop into the office to see me or email me the details at [lgoad@clarborough.notts.sch.uk](mailto:lgoad@clarborough.notts.sch.uk).

Last weekend, Isla O, Luke O and Olivia O in classes Nursery, 1 and 3 respectively, completed an 8.5 km fundraising walk in Clumber Park. This walk was to raise money for The Alzheimer's Society. Well done all of you, what a fantastic achievement!

Olivia M in Class 2 achieved her Stage 5 swimming certificate on Tuesday. Her Mum and Dad are super proud of how fast she is moving up the groups as she only got her Stage 4 in August. Great work Olivia!

This report has been received from Lucy Q-B in Class 5's parents:

Lucy competed at the British Gymnastic Disability Championships at the weekend. She placed 2nd in her category, winning Silver on all four of her pieces. Lucy's floor routine was particularly awesome, showcasing her talent and hard work, earning her a score that was only 0.05 behind gold! Lucy trains 16 hours a week at Retford Gymnastic Club, Torworth (who also provide a Disability Session once a week) with their specialist Coach Stacey, who like us is very proud of Lucy's achievement this weekend.

Well done Lucy!

## Star of the Week

This weeks 'Stars' are;

Class 1	Molly M
Class 2	Joseph T
Class 3	Charlie A
Class 4	Daniel H
Class 5	Henry L
Class 6	Madeleine W

## School dates for your diaries:

I will write 'NEW' next to new events each week

## October
