

Environmental Arts Week

The children have produced some amazing work this week and we hope you have enjoyed looking at it during this afternoons pop-up exhibition. The focus was on the environment and 'reduce, reuse, recycle'. Some children have also spent some time gardening.

We would like to say a huge thank you to Rachael from 'Soul Good Stuff' who joined us this week to lead some workshops. She did this voluntarily and provided many of the resources. Rachael was fantastic with the children who really engaged with her. Rachael helped the children to make wax wraps for food and bags out of old t-shirts etc.

Rachael runs the business 'Soul Good Stuff'. If you would like to see some of her eco-friendly products, you can view them at www.soulgoodstuff.com

Poppy Appeal

We would like to say a huge thank you to everyone that contributed to this worthwhile appeal by buying poppies and other merchandise.

Mrs Osborn has been making and helping Breakfast Club children to crochet poppies to display in our vase in the main reception. Great work girls!

Mrs Russell Celebration Assembly

We hope you can make it to Mrs Russell's celebration assembly on Thursday 14th November at 2pm. The children have been working hard on this and we're sure it will be a lovely occasion. We will be providing refreshments. If you wish to attend, please come to the main office in time for us to start the assembly promptly at 2pm.

School Choir

The school choir will be singing at 2 events in December.

5th December – The Christmas tree lighting at Clarborough Village Hall (time to be confirmed)

10th December – Retford stocking filler market at 4.30pm – more details will follow closer to the time.

Any child from Reception to Y6 is welcome to join us to sing the carols at either event.

Please ask Mrs Green if you need any more details.

Cereal bars

As we didn't get the chance to sell cereal bars this week, we will be doing it Monday to Thursday next week at first break. These are priced at 50p each.

Sewing Club

During our lunchtime sewing club, children have started making Christmas tree decorations and Christmas bunting. The children have produced some great work! Some of the decorations will be displayed in the school hall.

Real hair wigs for children
and young people

The Little Princess Trust

At the end of November, Isabella B-B in class 4 is donating 12 inches of her lovely long hair to the Little Princess Trust and raising money for the charity!

The Little Princess Trust provide free real hair wigs to children and young people, who have lost their hair through cancer treatment and other conditions. Since they began in 2006, they have provided over 8,000 wigs and have given grants of over £5 million pounds to childhood cancer research.

We have a sponsor form in school if anybody would like to sponsor Isabella.

Out of school achievements

Just a polite reminder that the deadline for anything you wish to appear in a newsletter is 4pm on the Thursday of that week. Anything later than this will be included in the next week's newsletter.

A big well done to Annabelle H in Nursery for being awarded her number 1 pre-school gymnastics certificate recently. Keep up the Good work Belle!
