

Dear Parents and Carers,

Although it has only been a four-day week, it's certainly been busy! Class photos were taken on Wednesday so look out for the proofs coming home soon for you to look at.

We have had some beautiful instructional signs installed in our Forest Schools area. These will help the children with their identification of trees and insects and help them to build dens and shelters with all our natural resources in the area.

Please also note we have changed our Sports Day date to Monday 27th June for children in Reception to Year 6. Further details will be coming out to you today via Parentmail about this. Nursery will have their own Sports Day on a different day. Details to follow.

Thank you,
Mrs Cowell-Clark

Contacting us:

Calls can be made to school Monday to Thursday from 8:30am – 4.30pm and Friday 8.30am - 4pm on **01777 708065**.

Enquiries about admissions, school dinners and any other query should be directed to office@clarborough.notts.sch.uk

Finance queries should be directed to: finance@clarborough.notts.sch.uk

National Online Safety

Every week, National Online Safety (NOS) produce informative posters highlighting a specific online item. This week they have mentioned 'Virtual Reality'.

A separate Parentmail will be sent out to you with the full information poster on this. Please take a few minutes to read through this information.

Recycling

We are continuing to recycle old pens, crisp packets, cans and old batteries in school. Please send any recycling into school with your child. **We continue to accept used/empty printer ink cartridges for recycling!**

Booking in Lunches, Breakfast Club and Wraparound Club

Parentmail is now open for you to book your child's lunches, Breakfast club and Wraparound places for the Summer Term 2. Please note, these must be booked one week in advance to allow us to ensure correct staffing and meals etc.

Please also note that Breakfast club starts from 7.45am and children will not be allowed into school before this time. Thank you.

We're on Facebook and Instagram!

We are on Facebook and Instagram! Search for 'Clarborough Primary' and follow us for regular updates and see what we are getting up to!

Please turn off your engines and considerate parking

Please turn off your car engines whilst waiting in the village hall car park and on Hillview Crescent. This is more environmentally friendly and considerate to those around them.

Further, for those parking at the village hall, please can you ensure that you park your vehicle appropriately and in the correct parking spaces provided to ensure that other parents can get in and out of the car park easily.

Toys and Fidget Toys

Please note that fidget toys or any other sort of toy should not be brought into school unless you have spoken with your teacher and they have permitted your child to bring it in.

Nursery and 30hrs (Frida Kahlo)

How lovely to be back with our children, full of jubilee excitement and tales of flags, parties and memories made!

This week we have been thinking about one of the most important vehicles on the road.....the ambulance.

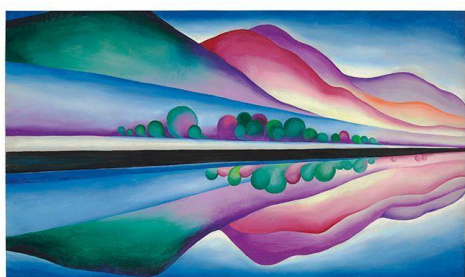

Our role play area is now a hospital and the children have learnt how to use a stethoscope and enjoyed treating various patients. We made headbands and ambulances, creating repeating patterns at the same time.

Next week, we will be thinking about refuse trucks and recycling. The fun never ends!

Reception (Georgia O'Keeffe)

This week we have been learning about London. We have talked about the differences between villages, towns and cities and have looked on a map to see where London is.

We have learnt that a capital city is the most important city in a country and have recognised lots of London landmarks - some of them we saw during the Queen's Platinum Jubilee celebrations!

The children have been making 10 in lots of different ways and have begun to learn about odd and even numbers. We have also continued to spot missing numbers in a number-line and to look for numerical patterns in a 100 square.

Next week, we will be learning about the different types of vehicles that can fly and will also be talking about Healthy Eating Week, and why it's important to keep ourselves healthy!

Star of the week: Ollie T for settling in so well this week!

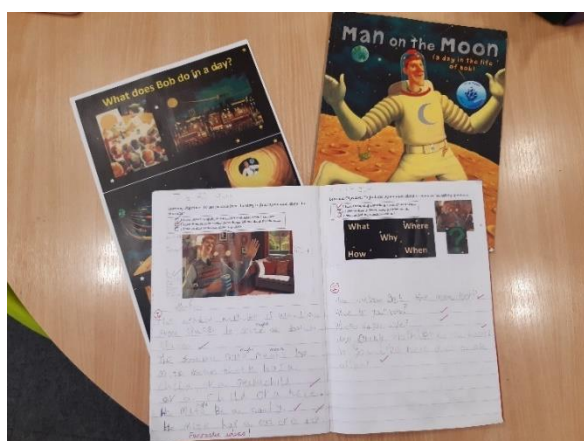

Year 1 (Joan Miro)

In Year 1 this week, the children have been reading the story 'The Man on the Moon.' They have been asking Bob (the astronaut) questions using question marks.

In Maths, we have been counting in tens and grouping objects.

In Clarborough Curriculum, the children have been finding out about the first animals in space. They have also been ordering events about human space travel using a timeline, including Neil Armstrong's first steps on the moon.

Learning Objective: To talk about the past and track important events on a timeline

	fly	1947
	Alfred	1949
	Luna 5	1959
	Neil Armstrong	1961
	Neil Armstrong	1969

Next week, Year 1 will be writing stories about travelling to the moon and in Maths they will be making arrays and doubling.

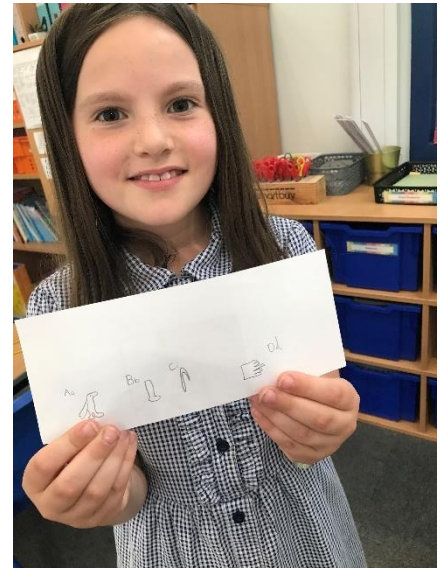

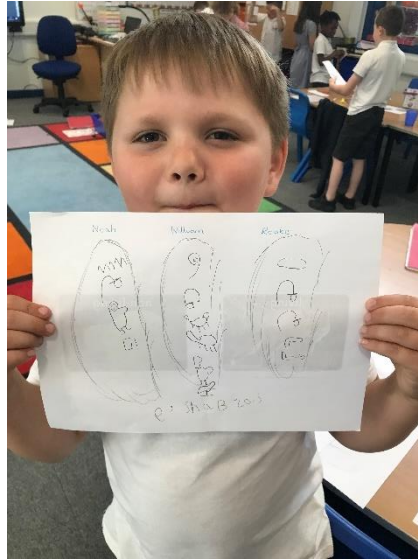

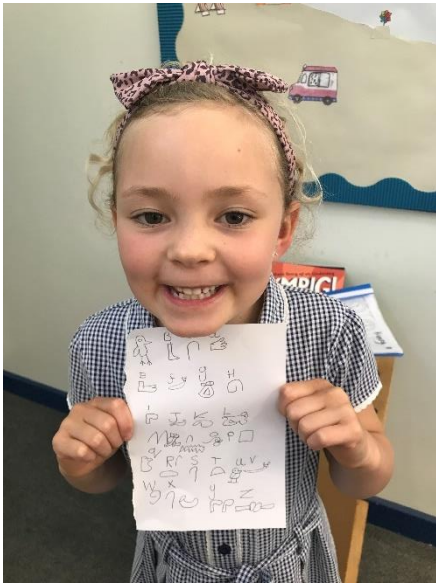

Star of the week: Katie for working so well independently and speeding up her writing!

Year 2 (L.S. Lowry)

In Year 2, the children have been measuring and comparing the mass of different objects. In English, they have been starting their non-chronological reports about hedgehogs and in Clarborough Curriculum, they have been looking at early writing systems and writing their names in hieroglyphs.

Next week, Year 2 will produce their non-chronological reports and start looking at temperature and mass in Maths.

Star of the week: Logan for always putting 100% into everything, including his feedback!

Year 3 (William Morris)

This week, Year 3 have been using commas in a list in English and using persuasive language to produce a poster for Clarborough Primary School.

In Art, they have created space pictures using different media and in Maths, the children have been learning about fractions.

Next week, Year 3 will be finding out more about angles and turns. They will be understanding tenths as decimals. They will continue to use persuasive language in English and look at Kings Park and ways to advertise the park so people come and visit. In Clarborough Curriculum, the children will be completing their 'Show me what you know about Victorians.'

Star of the week: Maia for having a fantastic attitude towards her learning. She is always so engaged and works so hard!

Year 4 (Salvador Dali)

In Maths, Year 4 have been learning about angles. In Clarborough Curriculum, they have been starting their new focus on North America and in English, they are writing biographies based on the book 'Race to the Frozen North.'

In Science, the children looked at the physical properties of solid, liquid and gas materials. The children also spent some time this week creating digital art around school – they produced some amazing pictures!

Thursday 9th June 2022

10: To understand how to sort solids, liquids and gases.

Type of matter	Diagram of particles	Characteristics	Examples
Solids		Particles are packed closely together. They vibrate but do not move from their places.	Gold, brick, wood, sand, ice cubes.
Liquids		Particles are close together but can move around. They are in constant motion.	Water, blood, milk, oil, honey, petrol.
Gases		Particles are far apart and move very quickly in all directions.	Balloons, steam, air, carbon dioxide.

Next week, Year 4 will be learning about mountains and volcanoes. They will also be working on their photography skills in Art too.

Star of the week: Piper for trying so hard in all of her lessons!

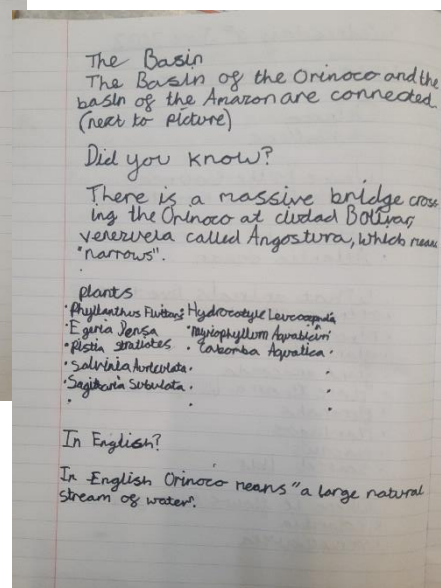

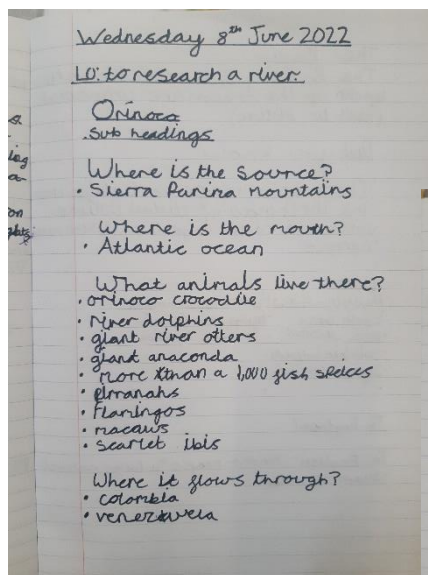

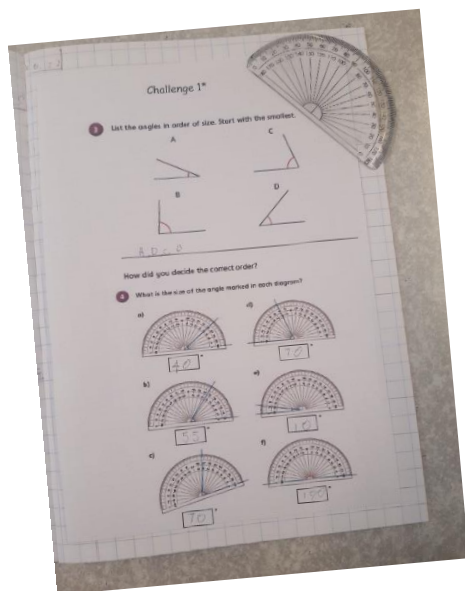

Year 5 (Banksy)

This week, the children in Year 5 have been learning about the River Nile and completing their fact files on rivers. They have also been drawing and measuring a range of angles in Maths.

Next week, Year 5 will find out about the Ancient Egyptians and how they used to live. They will be learning more about using a protractor to draw and measure angles. They will also be creating some Egyptian crafts.

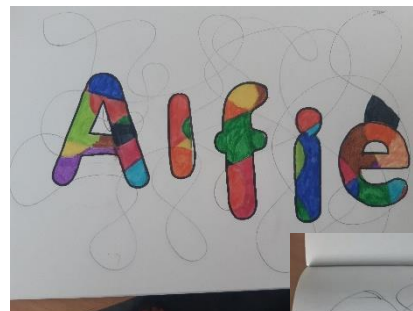

Star of the week: Freya for always trying your best and for being so helpful to others!

Year 6 (Lucian Freud)

In Maths this week, Year 6 have been finding the volume of shapes in Maths and in English they have been drafting their own suspense and scary stories!! In Art, they are developing their own style of graffiti.

In Science they have been finding out about the different theories of Evolution.

On Thursday, Year 6 took part in a workshop learning about the risks of knife crime and learning more about using Apps under age.

The children have also begun to rehearse their leavers' assembly, the epic performance of 'Pirates of the Curry Bean.'

Next week, they will be writing information texts about Vikings; they will also be looking at the differences between Anglo Saxons and Vikings. They will be practising their skills with ratio and proportion and finding out more about how humans have impacted on the evolution of plants and animals. They will also begin their RSE topic, 'My body, my choice.'

Star of the week: Alfie for the HUGE improvement in your reading!

Dates for your Diary....

Week beginning Monday 13th June – Year 4 begin Multiplication Tables Check

****Monday 27th June – Sports Day (Reception to Year 6) ** Please note change of date ****

****Monday 11th July – ‘Back up’ Sports Day (Reception to Year 6) ** Please note change of date ****

Thursday 30th June and Friday 1st July - Bikeability Year 5 Group 1 (details to follow)

Monday 4th and Tuesday 5th July - Bikeability Year 5 Group 2 (details to follow)

The closing date for applications is Monday 20th June at 10am.

Shortlisting will take place on Wednesday 22nd June 2022.

Interviews will take place on Monday 27th June 2022

Local News

CDCA is seeking additional Trustees

Clarborough & District Community Association (CDCA, Charity Commission 502076) is seeking new Trustees to help power forward. The Board of Trustees is particularly keen to hear from anyone who has financial experience who can guide our charity to accessing funding for the long-term maintenance and development of our hall building.

We are also keen to engage with younger members of our community to enable us to make our hall available for weekend events such as children's parties as well as other special occasions. The Tree Lighting Fair, which took place in December last year, was a really good example of what can be achieved when our community works together.

If this sounds interesting, please contact Greg on 01777 700 918 or clarboroughwelham@gmail.com or David on 07501 803918 or dawsondavid@yahoo.com

For more about CDCA and also forthcoming meeting dates, please go to our community website's **Village Hall CDCA** page.

Greg Herdman
Chairman, CDCA
