Weekly Newsletter

W/e 8th July 2022

Dear Parents and Carers,

As you know, we have rearranged our Sports Day for Monday afternoon and it looks like the weather is going to be very hot. We will make sure the children are sat in the shade between races, have their water bottles and can cool down during the afternoon. If you are coming along to watch, please be aware that there will be very little shade for you to sit in and unfortunately, we cannot provide refreshments this year so put on that sunscreen and please bring a drink! Gates will be open at 1:15 pm for a 1:30 pm start – we hope to see you all there!

Thank you,
Mrs Cowell-Clark

National Online Safety

Every week, National Online Safety (NOS) produce informative posters highlighting a specific online item. This week they have mentioned 'Steam'.

A separate Parentmail will be sent out to you with the full information poster on this. Please take a few minutes to read through this information.

Booking in Lunches, Breakfast Club and Wraparound Club

Parentmail is now open for you to book your child's lunches, Breakfast club and Wraparound places for the Summer Term 2. Please note, these must be booked one week in advance to allow us to ensure correct staffing and meals etc.

Please also note that Breakfast club starts from 7.45am and children will not be allowed into school before this time. Thank you.

We're on Facebook and Instagram!

We are on Facebook and Instagram! Search for 'Clarbrough Primary' and follow us for regular updates and see what we are getting up to!

Please turn off your car engines whilst waiting in the village hall car park and on Hillview Crescent. This is more environmentally friendly and considerate to those around them.

Further, for those parking at the village hall, please can you ensure that you park your vehicle appropriately and in the correct parking spaces provided to ensure that other parents can get in and out of the car park easily.

Toys and Fidget Toys

Please note that fidget toys or any other sort of toy should not be brought into school unless you have spoken with your teacher and they have permitted your child to bring it in.

Nursery and 30hrs (Frida Kahlo)

What a wild week we have had learning about aeroplanes and airports! I wish you could watch the children in our role play aircraft, with pilots, cabin crew and passengers all acting out a flight scene so brilliantly!

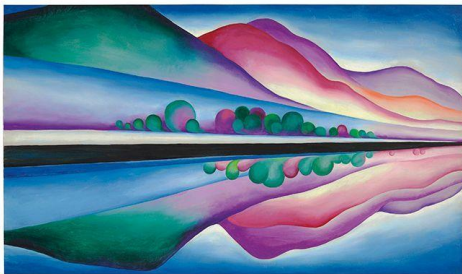

We have also been testing out paper aeroplanes, playing number games where children have to pack the right number of items into a holiday bag as well as crafts and writing activities.

Next week we are off into Space!

Reception (Georgia O'Keeffe)

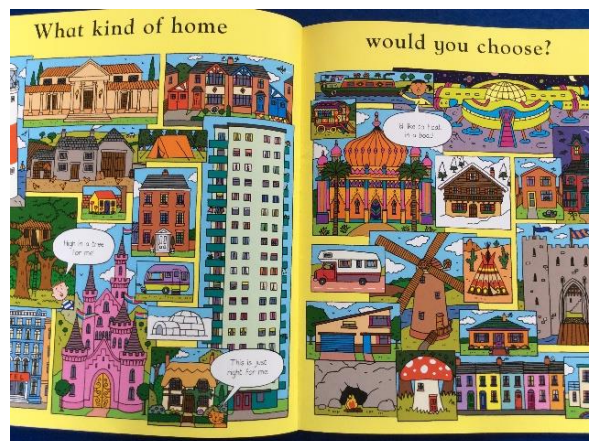

This week we have been looking at old vehicles, comparing them to new ones, looking at how they have changed and finding out how they work.

We have also begun to use the Nick Sharratt "You Choose" books to discuss our likes and dislikes. We will continue to look at these books next week, recording our answers in different mathematical ways, such as pictograms and tally charts. The children will send all of the information that we

gather about themselves to Mrs Deakin to help her to get to know them even more before they join her in Year 1 in September!

Star of the week:
Hattie for always
being so polite!

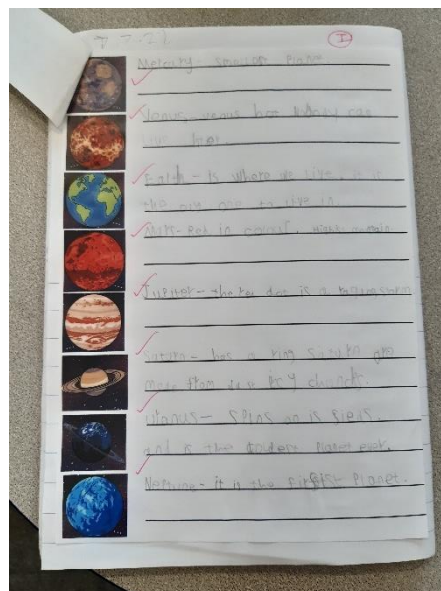

Year 1 (Joan Miro)

This week in English the children have been naming planets and designing rockets. They have also been learning about the book 'The Queen's Lift-Off.' In Maths, they have been learning their 2-, 5- and 10- times tables. In Clarborough Curriculum, they have been designing a space suit for Neil Armstrong. Rosie has also cast and directed her own film version of 'The Titanic!'

Next week, they are practising their division and looking forward to the rescheduled Sports Day!

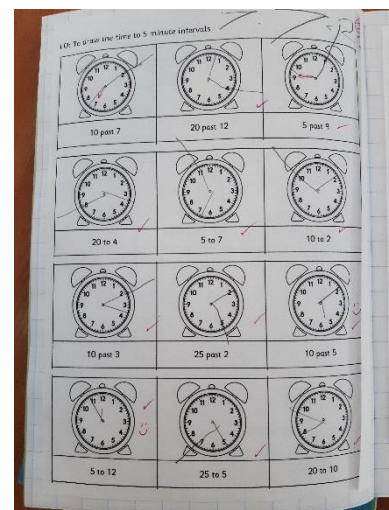

Star of the week: Albie for your fantastic effort in reading!

Year 2 (L.S. Lowry)

This week, the children have enjoyed their class swap day into Year 3. In Maths, they have been telling the time to five-minute intervals and in English, they have written a letter to the new Year 1 children to tell them all about their learning next year.

Next week, they are going back to their Charlie McButton story and they will be looking at how his behaviour changed throughout the story. In Maths, they will be solving problems with addition, subtraction, multiplication and division. They will also be recapping the different ways communication has changed over time.

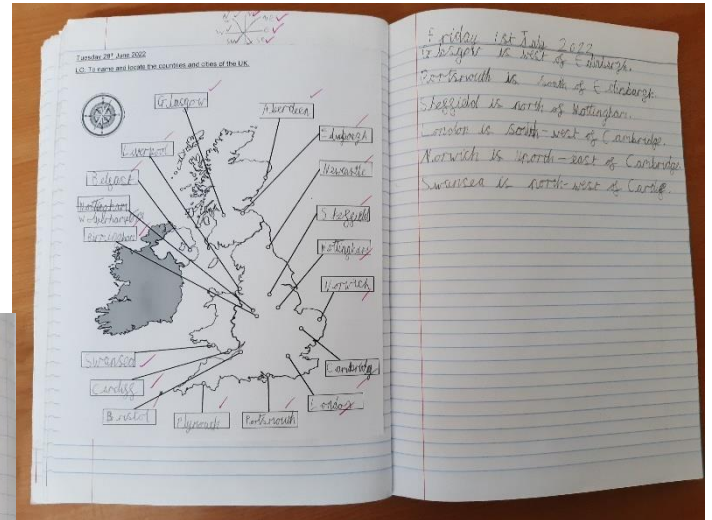

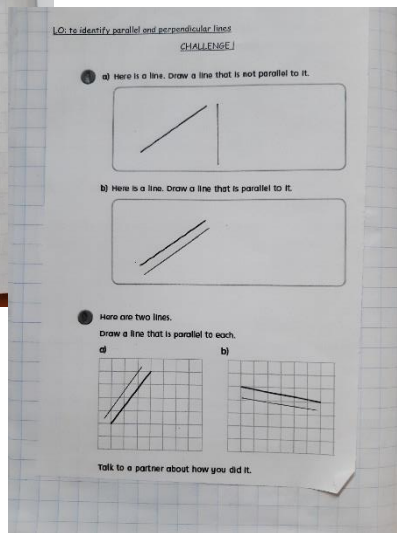

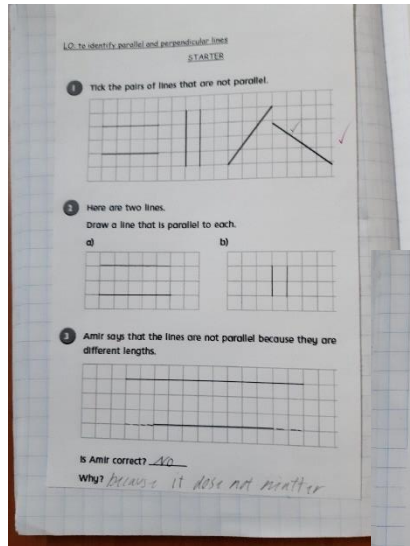

Star of the week: Henry G for trying really hard to form his letters correctly and for always giving his best!

Year 3 (William Morris)

This week, in English the children have been creating leaflets on King's Park and in Maths, they have been looking at parallel and perpendicular lines. In Geography, they have been looking at maps around the local area.

Next week, Year 3 will be recognising and describing 2-D shapes in Maths and in Science, they will be learning more about shadows. In English, they will be reviewing their grammar.

Star of the week: Alyssa for always working so hard in every lesson!

Year 4 (Salvador Dali)

The children in Year 4 have been busy completing their assessments this week. They enjoyed their class swap day on Wednesday.

In English, the children have also been creating backgrounds for their poetry based on the Northern Lights.

Star of the week: Logan for his excellent attitude to learning!

Year 6 (Lucian Freud)

This week, most of the pupils have been out on their transition week at their new secondary schools. When they have been in school, they have been writing stories to explain how superheroes got their powers and have been creating clay models of Viking long ships. They have also supported Year 2 with PE and getting ready for next week's Sports Day. They have also been doing some graffiti art with Year 2.

Next week, the children will be having their activity week so they will be doing lots of sports activities, an assault course and enjoying a climbing wall!

Star of the week: Rose for supporting Year 2 pupils fantastically in PE!
